AUTHORSHIP AND ORIGINALITY OF THE WORK

The authors declare that the work is original and of their own, except for any passages of text, figures, and data, whose sources are clearly referenced and, when necessary, accompanied by the appropriate reproduction permission issued by the copyright holders. The authors also state that the work was not formally published in any other vehicle and that they did not previously assigned its copyright to others. The authors also guarantee that the work does not contain anything that is illegal, defamatory, or that, if published, constitutes a violation of a commitment to confidentiality.

AUTHORIZATION FOR THE PUBLICATION OF THE WORK

The authors authorize SBC to publish the work in accordance with the terms of the Creative Commons Attribution 4.0 International Public License (CC BY 4.0). Thus, the authors or third parties can reproduce or distribute, in part or in whole, content extracted from the work, verbatim, adapted, or remixed, provided that the appropriate credits are attributed to the authors and the work. Copies of the work shall not be used in any way that implies endorsement either by the authors or by SBC.

AUTHORIZATION FOR THE COLLECTION AND USE OF METADATA

The authors expressly authorize SBC to collect the metadata that describes the work and dispose of it for the purpose of allowing automatic access to basic information about the work, promoting its indexing in reference bases, facilitating its recovering in search engines, and composing public access datasets that describe the general content of the SBC digital library.
